Ines Carvalho | Senior Frontend Engineer | Porto

EXPERIENCE
Maré Bank (2019 - present), Senior Frontend Engineer
- Owns the bank's React + TypeScript design system used by 9 product teams (tokens, docs, Storybook).
- Led the WCAG 2.2 AA programme for the customer web app; passes external audits yearly.
- Maintains Vitest + Testing Library unit suites and Playwright end-to-end tests in CI.
- Migrated the app to Next.js App Router with server components.

Lumen Studio (2016 - 2019), Frontend Developer
- Built React apps for agency clients.

SKILLS
React (9 years), TypeScript, Next.js, design systems, accessibility, Vitest, Playwright
