Diego Ramos | Frontend Engineer | Madrid

EXPERIENCE
Sendero Apps (2019 - present), Frontend Engineer
- Builds React features for a booking platform; 6 years of React.
- Writes unit tests with Jest and Testing Library.
- The codebase is JavaScript; no TypeScript yet.
- Contributes components to the team's shared library.
- Fixed the booking flow's keyboard and screen-reader issues; it passed a WCAG AA audit in 2025.

SKILLS
React (6 years), JavaScript, Jest, Testing Library, CSS Modules
